#### Q2-FY21 Key Operational & Financial Highlights

- Due to Covid-19, the Yarn Industry witnessed significant disruptions in the production and supply of Yarn in Q1 as many Yarn manufacturing units had to shut down or operate at lower capacities. This created a demand-supply gap.
- During Q2, the Company was able to resume its operations and ramp up its production to cater to the market demand. The company witnessed an increase in its operating revenue and operating margins back to pre-covid levels.
- Company has an order book exceeding INR 50 billion for the next 2-3 years.
- Company continues to leverage its vast sales distribution network in India and overseas to selectively focus on more profitable markets.
- Company was recently registered as an approved supplier with IKEA which is a testament to the company's products, material, and services adherence to minimum environmental, social, and working conditions requirements. It also allows other members registered with IKEA to source their yarn requirements from the Company. The Company is already having registration/certification/registration for its products from Global Organic Textiles Standard (GOTS), Organic Content Standard (OCS), Global Recycle Standards (GRS), OEK-TEX STD.100, Better Cotton Initiative (BCI), Fair Trade, Supima Gold and US Cotton Trust Protocol.
